Subject: HHS CARES Act \$30B grant funding Attestation Portal is now open

Please see the important information below describing how to attest to receipt of the HHS Cares Act funds and agreeing to the terms and conditions. Should you refuse to accept the funds, you must also complete the attestation to confirm such. To reach the attestation portal, click on the yellow “Attestation Portal” below. To learn more about the grant funding, click on the yellow “Provider Relief Fund” and yellow “Terms & Conditions” embedded below.

Regulatory alert: HHS CARES Act grant funding Attestation Portal now open

The **Attestation Portal** for the initial \$30 billion general distribution from the Department of Health & Human Services (HHS) is now open. Providers that received a payment from HHS as part of the **Provider Relief Fund** authorized under the CARES Act must sign an attestation confirming receipt of the funds and agreeing to the terms and conditions within 30 days of receiving payment.

To complete the attestation, **billing entities** must provide their Taxpayer Identification Number. **Should you choose to reject the funds, you must also complete the attestation to indicate this.** The Portal will guide you through the attestation process to accept or reject the funds.

Group practices with questions about the grant funds can call the Provider Relief hotline at (866) 569-3522. Please note that the **terms and conditions** are subject to further clarification by HHS, and MGMA will pass along any additional guidance if it is made available.
