Dear Member Physician or APC:

Many of you have asked questions about the new SBA loan program funded through the CARES Act that was passed last Friday. Here are some useful links:

- The Washington Post has published a FAQ that answers many of the key questions (all COVID-19 related material on the Post web site is current free):  
<https://www.washingtonpost.com/business/2020/03/30/heres-how-get-small-business-loan-under-349-billion-coronavirus-aid-bill/>
- The U.S. Department of the Treasury web site includes many other important resources related to the program, including a link to the **application form** and information for potential borrowers. This is located here: <https://home.treasury.gov/policy-issues/top-priorities/cares-act/assistance-for-small-businesses>

We hope that you find this information helpful. **Please note that small businesses and sole proprietors can begin applying for loans on Friday, April 3, 2020.** As funding is limited it is advisable to apply as soon as possible.
